

**2020-2021 FACULTY OF DENTISTRY FALL TERM ELECTIVE COURSES**

Dear Students,

Fall Term elective courses of Dentistry Faculty will be opened on the Einstein student portal for selection. You should only choose the courses determined for your class and wait for your advisor's approval. After the approval, you must register for the course on UZEBIM platform. Second year students will take 2 elective courses at Fall Term and they should choose one course from Group A and one from Group B. You have to act fast for the course selection in the courses with limited quotas.

We wish you luck.
