YEAR 3 PRACTICAL COMMITTEES

SCRUBS CODE

Dear Students,

In response to your request, our Faculty Administrative Board has decided that it is appropriate for 3rd-year students to attend Practical Committees (preclinical and simulation laboratories) in scrubs.

The scrubs color code for 3rd-year students has been designated as **royal blue (midnight blue)**.

Please review the images and ensure that the scrubs you purchase are in the correct color shade and intensity.

We wish you success.
